DETAILED COURSE DESCRIPTION:

Do you have a box full of beautiful scrap fabric that you can't throw away but don't know what to do with? This is the workshop you have been waiting for. We will use all these scraps and sew them into innovative strips. This can be done after every project you complete. No more scraps in a box. Only beautiful strips waiting to be turned into an art quilt. Neat and not taking up a lot of space. Different ways will be shown to use these strips to create art quilts.
