

505S Organic Vase of Flowers Tuesday 9th July

Joy Clark

Session: 2 x 3hr

Level: Beginner Intermediate

Workshop Type: Longarm and Domestic Sewing Machine Mixed Classroom

Joy has been a member of SAQG since 2008. She is an award-winning Master Quilter and SAQG Accredited Quilting Teacher. A passion for fabric and thread and a desire to share the skills acquired over the last 40 years make teaching a very important part of her life. Joy says: *"I teach because I love to teach and in my class you'll find yourself in a relaxed environment, where trying new things will prove to be fun. No pressure, no stress, just come and enjoy your time with me."*

DETAILED COURSE DESCRIPTION:

The class can be done on a long-arm machine or domestic machine. We begin by creating an organic vase which is to be positioned directly onto the quilt sandwich. Basic collage method will be used to create the floral display. Playing with various tones and shapes will result in a pleasing pictorial design. We will be using tulle followed by quick and easy raw-edge machine stitching to keep everything in place. Machine quilting creates the texture. Additional elements such as beading and hand stitching can be added and will be demonstrated. The compulsory class kit provides you with almost everything you need for the class. Finished size: 13" x 16"

Cost of Kit (Compulsory): R550

Detailed Contents of Kit:

Variety of floral and other fabrics for the collage, background and vase

Steam-A-Seam fusible web

Batting and backing fabric

A4 basic picture design idea

Wax paper

A design sheet
Tulle
Little bag of beads and embroidery thread for hand stitching

Student Requirements:

DOMESTIC MACHINE QUILTERS:

Your sewing machine in good working order, oiled, cleaned and ready to go

Sewing machine extension table. Supreme Slider or Sew-Slip (optional)

Your power cable and foot pedal

An extension cord and multi plug

Free motion quilting foot (or darning foot) AND walking foot

Know how to drop (or cover) your feed dogs on your machine (Joy doesn't know how every model works). Please check your user manual

Bobbins x 2 full (neutral grey) – the correct bobbins for your specific machine

Machine needles – Topstitch or Universal or Quilting needles in a 90/14 size

Basic sewing supplies and large scissors for cutting paper

Marking pens – blue water erasable fabric pen, white chalk pen, or similar

Rotary cutter and cutting mat

Glue pen and refills or thin Pritt glue stick

Extra light/desk lamp and a cushion for your back

Quilting gloves – preferably with a full palm coating and not just the fingertips

Threads – variety of tones of green/pink/red/yellow/brown/black (or just use a neutral mauve and black)

LONGARM MACHINE QUILTERS:

Handi Quilter machines will be ready and loaded with your kit fabric

Marking pens – blue water erasable fabric pen, white chalk pen, or similar

Rotary cutter and cutting mat

Basic sewing supplies and large scissors for cutting paper

Threads – neutral mauve and black. Optional variety of floral colours and greens may be used

Glue pen and refills or thin Pritt glue stick

Glide Foot will be provided for use in class
