

507S CORN PLASTER EMBROIDERY Tuesday 9<sup>th</sup> July

Session: 2 x 3hr

Level: All Levels

Macky is an accredited SAQG teacher who has taught within her own guild (DIAS in Port Elizabeth) and at many of the South African National Festivals. She has also taught at shops and guilds throughout South Africa. Quilting is her passion, and she loves to teach and to equip her students with as much knowledge as she can and plant seeds that will inspire them to create from within themselves.

#### DETAILED COURSE DESCRIPTION:

In this class Macky will share the techniques she uses when doing her corn plaster embroidery. These beautiful embroideries have many application possibilities. Not an embroiderer?... the stitches used are very simple and Macky will demonstrate how to do them.

#### Student Requirements:

Corn plasters (CLICKS packet of 4 callus cushions recommended)

Small embroidery hoop

A piece of fabric bigger than your hoop to embroider on

Tapestry wool (Macky will have some with her)

A varied selection of embroidery threads.

Metallic threads (Macky will have some with her)

Beads (mixed sizes)

Normal threads to match the beads

A Chenille needle and embroidery needles suitable for your threads

Needles to go through hole in the beads

If you have scraps of tulle or organza that match your colour choices, bring them along

Embroidery scissors and thimble  
Basic sewing supplies
