

508S Funky Cats with Attitude Tuesday 9th July

Session: 2 x 3hr

Level: All Levels

Mari is an international award winning quilt artist and experienced accredited quilt teacher and judge. She knows no boundaries and has a talent for teaching. She believes that every quilter has the power and potential to create something beautiful. She tries to equip her students with as much knowledge as possible in a stress-free environment. She wants them to have fun, expand their skills and enjoy the creative process. The smile on a student's face when she has mastered something is her reward.

DETAILED COURSE DESCRIPTION:

The cats have come to visit. Make them wild and wacky and give them some attitude! They love to be the talk of the town! Freestyle reverse machine appliqué and machine decorative stitches will transform them into stylish cats. While playing and having fun you will learn how to use your machine to its best. Different machine techniques will be covered such as chenille work, tassels, attaching trims, buttons, doing raised embroidery, couching, candlewicking, 3D appliqué and much more. Choose different templates from the manual to create your own unique cats. No two cats will be the same. You won't believe that quilting can be so much fun!

Cost of Kit: Included in class fee.

Detailed Contents of Kit: Manual with all the templates to create your own cats
