

512S Nature in Textured Textiles Tuesday 9th July

Tracy Jackson

Session: 2 x 3hr

Level: All Levels

Workshop Type:

Tracy started when she was a little girl. After many years of making clothes and dance costumes, she attended a quilt class and finally found her passion. She believes in attending as many different classes as possible as no learning is ever wasted. She takes great pleasure in creating, learning experiences that excite, inspire, challenge and leave students eager for more.

DETAILED COURSE DESCRIPTION:

An exercise in trellis work and filler stitches. Come to Tracy's class to learn the basics of trellis work which will set you on a creative journey into designing your own trellis combinations. Students will also learn how to combine basic traditional embroidery stitches in unusual ways.

Student Requirements:

A fat quarter of plain, good quality, light-coloured fabric, 100% cotton or linen

Small embroidery hoop about 5" – 6" in diameter

Stranded embroidery floss in various colours

Perlé thread No 8 and /or No 12 in various colours, plus a No 22 Chenille needle (optional)

Small, sharp scissors

Embroidery needles –a pack of Size 5/10, however, a Size 8 is a good all-rounder

Marking tool, preferably a good quality HB pencil, good quality eraser and sharpener or chalk pencil in a colour that will show up on your chosen fabric

Basic sewing supplies
