May-Gene Terblanche

One Hour Class

Dinky Dresden

Level: Confident Beginner

May-Gene Terblanche is an SAQG Accredited Teacher (2014) and has been quilting for 20 years, of which 15 have been spent teaching and sharing her love of quilting. As a qualified Analytical Chemist, her precision is reflected in her quilt construction. Two of her quilt commissions were selected to tour the World Quilt Show – New England XII in 2014. Although a traditional quilter at heart, she loves interesting projects, and her classes are fun, relaxed and informative.

Make a cute mini-Dresden sample in this workshop. The sample can be used in other projects if preferred. A selection of kits will be available in class.

Cost of kit: R100

Contents of kit:

The kit has all Dresden pieces cut out and all materials required to complete a mug rug.
