Tracy Perks

MARVELLOUS MUSHROOMS

Half day class 3hrs online in classroom at Festival OR in the comfort of your home

Cost of Class R 350

Tracy Perks is a Quilt Pattern Designer, of large pictorial style quilts. She also has a passion for creating free motion embroidery and shabby chic textile art. Tracy has a large number of quilt patterns designed that are great for the visual learner, with more to come. She quilts and sews in her very own floating studio, which is a small creative space on a 26 foot narrowboat, called The Little Boat.

You will be shown how to free motion embroider with your sewing machine. We will start by getting your sewing machine ready, prep your fabric, and have a practice session before we dive into the mushroom designs. You will enjoy this interactive workshop and once you have learnt the basics, there will be no stopping you.
